Order of Consolidation for Hearing Appeals

On or about March 29, 2012, the above-named Employees/Grievants filed individual appeals with the Merit Employee Relations Board, each of which arises out of the process for posting and filling a single vacancy for a Correctional Security Supervisor position at the James T. Vaughn Correctional Center.

The appeals each allege violations of Merit Rules 2.0 (Non-Discrimination), 6.0 (Recruitment/Application), 7.0 (Screening/Ranking Applicants), 10.0 (Other Appointments), 16.0 (Human Resources) and 18.0 (Grievance Procedure).

Pursuant to the Merit Employee Relation’s Board authority to hear disputes arising under the Merit System of Personnel Administration Act (29 Del.C. Chapter 59) and subject to the Rules Governing Practice and Procedure before the MERB, the Board hereby consolidates these cases for hearing.

SO ORDERED, this 30th day of July, 2012.

MARTHA AUSTIN, MERB CHAIRWOMAN
